LEGISLATIVE COUNSEL'S DIGEST

AB 659, as amended, Nazarian. ~~Career technical education~~. *County educational agencies: county school service fund budgets: posting online.*

Existing law further requires that the agenda for that hearing be posted at least 72 hours prior to the hearing and that it include the location where the budget will be available for inspection.

This bill would authorize the county board of education to post the proposed budget on its Internet Web site for public inspection.

Existing law requires the Board of Governors of the California Community Colleges to collect and maintain information related to career technical education and technical training within the California Community Colleges for inclusion within the integrated statewide information system.~~

~~This bill would make nonsubstantive changes to these provisions.~~
